Lyon, historical yet modern city

Classified as world heritage by Unesco, Lyon offers an incomparable quality of life to its inhabitants. Second city of France, it is ideally situated in France and Europe and enables our students to easily travel and discover the country and the continent.

Lyon is culturally rich due to its unique history and gastronomy, which greatly contributed to its economic development and in turn, made it an attractive city for companies around the world. Thanks to its renowned Universities and prestigious business schools, Lyon has become a dynamic, modern and international student city.

It is for all these reasons that Inflexyon decided to settle in the heart of the UNESCO classified site, in the heart of Lyon and therefore, the center of life in Lyon.

Inflexyon French school

Member of Campus France, one of the few institutions teaching french as a foreign language to have the double quality label, “Label Qualité FLE” and “Bienvenue en France”.

Inflexyon was created to offer a unique learning environment in Lyon. Our students come from all around the globe and have made of Inflexyon a truly multicultural and international environment.

Our motto is the proximity with our students; indeed, our international team is dedicated to our students and their well being!

Classes at Inflexyon

For Inflexyon, the student's well being, his rapid integration in French life are essential to succeed academically. This is why we propose an innovating and dynamic educational program adapted to all.

A diversified offer, adapted to all

- French language course in small groups:
Around 15 students in the morning classes and 10 students in the afternoon classes.
- Practice of both written and oral skills
- Diversified classes – Discovering the fundamental pillars of French language •
Preparation of our students to the DELF/DALF and TCF exams with a 97% success rate!
- Preparation and tests in our school for the TEF, TEFAQ and TEF naturalization exams.
- DELF and DALF examination center.

Inflexyon is an approved center for administering the TEF and TEFAQ exams. These two exams are internationally recognized instruments for evaluating the French level of non-French native speakers.

These tests can be used for applying to faculties and colleges of higher learning (TEF). This test (TEFAQ) is required by the Citizenship and Immigration Ministry of Canada or the ministry of Immigration and Cultural communities of Quebec for candidates wishing to migrate to Canada. For greater mobility within a company, for acquiring the French nationality (TEF Naturalisation) or to apply to a language center.

DELF and DALF exams :

The French Ministries of Education and Higher Education offer a wide range of degrees in French language (diplomas and tests) for validating skills in French. The offer is adapted to all. It is based on the 6 levels of the Common European Framework of Reference for Languages, from A1 to C2.

Diplomas (DELF, DALF) are independent from the French school Inflexyon, and certify mastery of the four language skills. They are valid indefinitely and therefore can accompany you throughout your life, personally, academically, or professionally. These certifications are recognized worldwide.

Professors dedicated to their student's success :

- Exchanging and interacting between cultures
- Teachers with experiences abroad
- Modern and everyday French to use quickly and adapt to French life
- The well-being and the success of our students in France
- Language, culture, civilization and gastronomy classes

Levels, evolution, evaluation

Inflexyon proposes classes over 6 levels following the « The Common European Framework of Reference for Languages » going from very beginner to expert (A1- C2)

Placing our students in the right groups

Once the registration has been confirmed, we send our students a general French test. Depending on the results of the first test, a second test focusing on grammar and language structure is then sent to complete the first step of the evaluation. Upon arrival, a French oral test is organized with a teacher.

We organize an evaluation every month, going over the notions learned during the month, enabling a clear appreciation of the student's attainments and by that, determining the evolution to the next level.

At the end of our student's stay at Inflexyon we prepare an « Course Certificate ». The « Course Certificate » includes:

- The classes taken and the student's attendance
- The results of the monthly evaluation and the continuous evaluations in class
- Evolution and the level reached by the student at the end of his stay

Course formulas, adapted to all

In order to answer each student's needs, we have established different formulas, enabling our students to personalize their experience at Inflexyon.

They take place in addition to the Rules of Procedure and the Rules of School life given to the student on the day of his arrival. They are subject to change, which are applicable only to registrations post modification. Any enrollment to a course at Inflexyon implies unconditional acceptance of these terms of sale.

INFLEXYON

Inflexyon is a Private Institution of Higher Education, Certificate No. 70 dated 17th of October 2008 , in accordance with Articles L731 -3 and L731 -4 of the Education Code . Its RAMSESE Directory of Education establishment number is : 0694114X . As an institution open to the public of R- Type Category 5e (Group 2), it is in full compliance with the rules of safety associated with its activity.

REGISTRATION

Pre-registration is formalized by a filled application form (validated by our confirmation document) and by the payment of a deposit. You can register by Internet, by mail using the registration form in the student booklet or directly at school.

Registration shall become effective upon payment of the full tuition at the latest on the first day of class. Specific rules apply to "au pair " students. They are asked to settle the first two months of their course and registration fees and it is left to them to settle their monthly tuition with a month anticipation or to deposit the checks covering all the months of class at Inflexyon. Any student under the age of 18 must join a parental permission to their registration form, discharging Inflexyon of any liability.

ADMISSION & ORGANIZATION OF THE COURSE

Students can start the course whenever they want, excepting for complete beginners and A1 levels who must respect the monthly starting dates of sessions presented on Inflexyon's website and student booklet. The same rule applies to students who require accommodation; they cannot be admitted outside their registration dates. A 48H tolerance is granted for arrival and departure. However, we strongly advise all students to follow the Inflexyon course dates as much as possible. Failure to comply with these dates may imply teaching and logistical complications that are the responsibility of the student.

Three placement tests are made between the pre-registration and the first day of classes. These tests are written but an oral test will be organized if judged necessary. The minimum number to maintain a collective course is 3 students. A course with less than 3 students will be considered as a private course and reduces the courses time-credit remaining. One private lesson consumes two group lessons.

The school will be closed on public holidays. If no activity is offered that day, a special rate will be offered to students registered for less than 6 weeks.

RATES

The rates for our programs are net prices and include:

- Educational expenses,
- The provision of specific equipment.

They do not include textbooks or additional activities such as excursions, or the costs incurred by educational activities such as cultural visits (Museums entry tickets, bus, metro...).

Transaction fees, accommodation and pick-up lead to a specific rate. The registration and accommodation fees are not refundable.

The registration fee opens rights to all Inflexyon students benefits: DVD library and library, access to the school foyer and facilities, free Wi-Fi in the entire school, assistance for all administrative issues and general assistance in the students' daily lives, private tuition at preferential rates, professors counseling outside of class.

PAYMENT

You can pay either in cash or by check, international Cheque in Euros, or by Credit Card, or by bank transfer in euros on our account. The bank account references are listed in our disclosure documents (a legible photocopy of the transfer order can be sent). Please note that any bank charges on transfers or checks are your responsibility and that the use of the credit card generates a 1 % fee of the total amount paid by this mean.

CANCELLATION, MODIFICATION AND REPORT – ABSENCE OR DISCONTINUATION OF AN ONGOING COURSE:

After the legal withdrawal period, there is no possible refund excluding the situations described below. Every session started is due.

The 80€ registration fees cannot be refunded under any circumstances.

- In the case of a student who has applied for a student visa, no refund may be issued except in the case of an administrative denial of Visa, justified by an official document of the Embassy or Consulate. In addition, the student who registers at Inflexyon and requires a visa, acknowledges being informed beforehand of the conditions for issuing different visas and the obligation related to entering France (both on financial and medical aspects but also on the necessary insurance). No refund will be issued due to a failure of the student to comply with the procedural obligations

- Cancellation before the course starts (for the students who do not need a visa) : we will refund the full payment except registration and housing search fees if cancellation takes place more than a month before classes start. Further, we keep 50% the deposit if cancellation takes place over 15 days and the entire deposit if it occurs less than 15 days before the start of the course (except for applications made within a shorter time frame). In the case of a request for accommodation reservation, if the cancellation is made 15 days or less prior to arrival, the equivalent of one month's rent will be deducted from the refund.

- Similarly, if the student does not attend the course, or does not regularly attend classes or decides to leave the school without a valid reason, no refund will be possible and Inflexyon will be obliged to report this absence to the Prefecture.

- After the start of the course: no refund can be made, except in cases of "force majeure" (medical reason proved by a certificate translated by a sworn translator , list of sworn translators in Lyon are available on request), professional or education obligations are not included as cases of force majeure. In a case of force majeure, 10% of the remaining courses price will be kept as cancellation fees. All session started is due entirely. If the refund is not accepted, remedial course alternatives may be considered on a case-by-case basis at the request of the student.

- Attendance is the first student engagement; his or her absence does not give right to a refund. However in the context of a student with a long-stay visa (6 months) it is possible to be granted two holiday periods of two consecutive weeks. A new date of completion of the course and accommodation reservation will be established if the request is made during

the pre-registration. If the request is made after the pre-registration, the student can still request a holiday but no modification will be made in terms of course or accommodation dates. For students who do not require a long-term visa they are able to plan holidays as the course price is calculated on the number of weeks taken.

– Students may postpone their course once before the start of it if Inflexyon is informed more than 15 days before the start of the course. This report must be justified and requested in writing, and cannot be postponed more than six months after the initial date of registration. The student visa applicant must start the procedures with the Embassy at least one month before the desired departure dates, no report can be accepted for visa reception delays – if the student did not organize the trip properly, nor respect the pace imposed by this type of procedure.

– No other type of course transfer will be accepted, except in cases of "force majeure" (justified medical reasons as stated above). Classes missed by Au Pair students due to family obligations can be made up either after or before the expected absence but still within the maximum period of registration. Indeed taking a French course is a legal requirement for the Au Pair status. With this exception, which entitles to preferential rates, Au Pair students have the same rights and obligations as other students.

– A student may change his registration if desired, only to a higher registration in time and budget than the initial registration.

– Courses may in no case be transferred to another student.

– Inflexyon reserves the right to cancel a course. Participants will be informed as soon as possible and will be fully reimbursed.

– Private lessons can be cancelled 24 hours before the class, at the latest. In case the course is cancelled after the 24 hours delay, it will be due.

– Concerning preparation course to DELF-DALF exam, if the cancellation occurs more than 2 weeks before starting dates, we will refund the totality of course fee. If it occurs less than 2 weeks, we will keep 80€ as cancellation fee. No refund will be made for all demand of cancellation 48 hours before starting dates.

– COVID-19 amendment : The students who cannot travel to France due to COVID-19 pandemia can postpone their course for any new dates without any extra fees.
